Copenhagen Malmö Port welcomes the Denmark Sail Grand Prix in Copenhagen

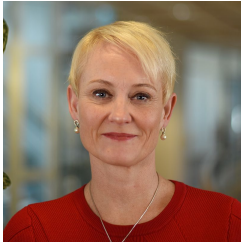

On August 19 and 20, the Denmark Sail Grand Prix takes place in Nordhavn, Copenhagen.

SailGP is a high-paced sailing race with eight national teams competing across the globe and in this third season visiting Copenhagen for the first time. CMP is very excited to follow the ultra-fast F50 catamarans right at our doorstep - and we of course have a special eye to the Denmark SailGP home-team!

The race village, technical area and team bases are at CMPs container and cruise terminals in Nordhavn Copenhagen and we look forward to follow the race after intense preparations over the past weeks.

Not only are the SailGP F50s catamarans raced by some of the world's best athletes, build with cutting edge technology and powered by nature, but SailGP also has an ambitious sustainability agenda on clean energy and technology, which is a perfect match for CMP and the Oresund region!
