The annual and sustainability report for 2024 is now available

CMP's annual meeting was held 4 June in Malmö, Sweden. The website is now updated with the latest annual and sustainability report, which you can read [here](#).

Summary 2024:

- Turnover reached a record high, exceeding SEK 1 billion for the first time. It amounted to MSEK 1,049, an increase of 7.5% compared with the previous year, mainly driven by growth in

sectors such as Cruise, Liquid Bulk, RoRo and Containers.

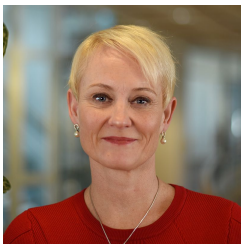

Operating profit totalled MSEK 73.9.

- In 2024, CMP handled a total of 13.5million tonnes of cargo.
- CMP received 989 000 cruise passengers and 818 000 ferry and RoRo passengers (DFDS and Finnlines).
- Carbon emissions decreased by 24 %. Since CMP started measuring carbon emissions in 2020, the total reduction has amounted to 76 %.
