The film from the naming ceremony of MV Auto Energy is here

The ship is the world's largest LNG-powered car carrier, and can transport a total of over 4,000 cars. Almost 200 people took part in the ceremony, including representatives from the owners Wallenius and NYK, and naturally also representatives from UECC, CMP, trade and industry, customers and the media. In addition, the President of the World Maritime University, Dr. Cleopatra Dumbria-Henry was in attendance, as was Malmö City's mayor, Katrin Stjernfeldt Jammeh.

Click on the link to watch UECC's film summarising the naming ceremony.
